

Section 6.11: Neighborhood Business District (B-1)

Intent: The intent of this zoning district, when properly applied, is to provide resident consumer more localized opportunities to purchase convenience goods and services. It is not the intent of this zoning district to provide areas for the purchase of regionally demanded goods and services, only that demanded, on a convenience basis, by the local resident population.

A. Principal Uses Permitted

Those uses permitted and as regulated in the P-1 Professional Office District
Commercial establishments, for the sale of convenience goods, personal service establishments, and other consumer services, including but not limited to convenience stores, mini-marts including gasoline sales, video rental stores, grocery stores, etc., and provided that all processing is performed as a consumer service for retail customers served on the premises and all such establishments are limited to a maximum building size of 5000 square feet in total gross floor area per lot.

B. Accessory Uses Permitted

Parking for the principal use (may be shared with adjacent uses, see Section 11.4 of these regulations)
Garage or other accessory building
Private recreational facilities
Drive-In Facilities, serving a principal use, determined by the City or County Engineer not to be a traffic hazard.

C. Conditional Uses Permitted

- (1) Bed and Breakfast Establishments: allowing sleeping accommodations to be rented for profit with minimal food service provided. The Board of Adjustment when granting requests for bed and breakfast establishments may, limit the number of rooms to be used, limit the area of structure to be dedicated to the use, require a specific number of parking spaces as well as impose any other requirement that it deems necessary to help the requested use blend into its unique surroundings.
- (2) Mini-warehouses: which provide for rental, small storage facilities that are offered for use to the public. The Board of Adjustments when granting requests for mini-warehouse facilities may limit the number of units provided, restrict the size or orientation of any structure, require screening, buffering, or landscaping, require a specific type of building material, require green landscape buffer areas, require storm water abatement measures or impose any other requirement that it deems necessary to help the requested use blend into its unique surroundings. (NA in City of Bardstown)
- (3) Car Wash: The Board of Adjustment, when reviewing applications for this conditional use, shall review plans for the operation to determine if traffic circulation/vehicle storage and wash water discharge are adequately provided for. The opinion of the City or County Engineer shall be sought concerning traffic circulation/vehicle storage provisions. Wash water shall be discharged into sanitary sewers of a facility approved by the Nelson County Health Department.
- (4) Mobile Home as Place of Residence for a Commercial Watchman: The Board of Adjustment, when reviewing applications for this conditional use, shall consider the following factors: if there other facilities that can reasonably accommodate a watchman's residence, if so the permit may be denied; if there is a necessity for a watchman living on site; sewage disposal facilities; as well as aesthetic considerations, appearance, and maintenance concerns.

Section 6.11: Neighborhood Business District (B-1)

D. Planned Unit Development Uses Permitted (approved as provided for in Section 8.2 of these Regulations)

- (1) Mixed Commercial, Office, Residential Development: A development approved under this section may consist of multi-family, two family and single family residential lots or clusters of lots mixed with areas designated for commercial, office or other uses in the ranges allowed in section A. above. Residential densities are not to exceed that allowed in the R-3 zone. As part of the approval process for the Planned Unit Development designation, the developer must designate particular areas to be dedicated to each use and housing type or density. Once approved, that designation, related to use, housing type or density, may only be changed by amending the planned unit development designation through the process used for initial approval.
- (2) Golf Courses, Recreational Facilities and similar uses: providing for public accessibility to relatively undeveloped green spaces and forest reserves, provided that: adequate parking facilities and traffic access are provided based on anticipated demand; and adequate buffers between active uses and adjacent properties are provided where deemed necessary by the Planning Commission.
- (3) B-1 PUD Neighborhood Business (Only in effect in the City of Bardstown and in the Deatsville and Hunters Village Unincorporated Character Areas as established by the *Nelson County 2020: A Comprehensive Plan.*) (Amendment: January 14, 2002)

Intent: The intent of this PUD zoning district, when properly applied, is to allow development of commercial uses that will blend in with existing residential districts.

Note: A site development plan must be submitted as part of the rezoning application requesting reclassification to this PUD zoning district. This plan shall show: location of existing structures, utilities; roadways (which may be private, but must provide guaranteed, adequate access to all parcels as well as adjoining parcels); intended option choice for commercial use of the property; size, type and design of structures (must blend in with surrounding residential uses); storm water drainage and retention facilities; signage; lighting; landscaping; screening and buffering. Setbacks and parking requirements may be varied as part of the overall approval of site plan. All items required are subject to Planning Commission review and approval. The standard for review shall be that all required items must be provided in a way so as to minimize adverse impacts on the public and surrounding residential uses. Departures from the development plan, as finally approved, must receive Planning Commission and appropriate legislative body ~~City Council~~ approval after another required public hearing.

(Option A) Principal Uses Permitted

Those uses as allowed in the B-1 Neighborhood Business District and P-1 Professional Office District. Maximum of 10,000 square feet of floor area.

(Option B) Principal Uses Permitted

Those uses as allowed in the B-2 Central Business District excluding the following uses: outside storage, automobile dealerships and sales lots. Maximum of 10,000 square feet of floor area.

Section 6.11: Neighborhood Business District (B-1)

(Option C) Otherwise Allowed Uses Serving Alcohol by the Drink: providing that the nuisance aspects of these uses are mitigated to the extent possible using screens, buffers, limitations on hours of business, or other conditions necessary in the opinion of the Planning Commission to allow the unique aspects of this type of use to blend in with the surrounding land use pattern, current and anticipated. Maximum of 10,000 square feet of floor area.
