

Section 6.2: Single-Family Residential District (R-1A)

Intent: The intent of this zone, when properly applied, is to provide a threshold development zone in which residential development can take place but at a relatively low density for what is traditionally or generally believed to be “subdivision” type development.

A. Principal Uses Permitted

A Single Family Dwelling

B. Accessory Uses Permitted

Home Occupations: Must obtain HO permit in City of Bardstown.

Garage or other accessory building

Private recreational facilities

C. Conditional Uses Permitted

- (1) Schools, Churches, Cemeteries. Conditions may be imposed that limit/control traffic flow or circulation, lighting as well as any other condition that helps the particular use to blend with its unique surroundings.
- (2) Instructional/Research Facilities, Rehabilitation Centers. Conditions may be imposed that limit or specify the size and type of structure or structures, that impose a maximum number of employees and/or individuals to be accommodated on site at any one time, limit seasons or hours of operation, limit the specific area to be used for the particular use, impose specific screening and/or buffering requirements, as well as any other requirement or condition that allows the use to blend in with its particular surroundings.
- (3) Home Occupations (as defined in Article 5) with special allowance: with a conditional use permit granted under this section an otherwise allowed home occupation may employ up to one (1) non-resident employee. Conditions that be imposed include: special provision for parking may be required and otherwise allowed signage may be restricted. (N/A in the City of Bardstown)
- (4) Bed and Breakfast Establishments: allowing sleeping accommodations to be rented for profit with minimal food service provided. The Board of Adjustment when granting requests for bed and breakfast establishments may, limit the number of rooms to be used, limit the area of structure to be dedicated to the use, require a specific number of parking spaces as well as impose any other requirement that it deems necessary to help the requested use blend into its unique surroundings.
- (5) Child Care/Daycare Facilities, Type II: Conditions that may be imposed or that are mandatory (*) include: that a fenced play yard be provided (*); and that special screening or buffering may be required.
- (6) One (1) accessory dwelling unit of permanent construction having no more than 1000 square feet in living area provided that the parcel on which the accessory dwelling is located has approved on-site sewage disposal for both the principal use dwelling and the accessory dwelling and that the lot or tract is twice (2 times) the minimum lot area for this zone in size.

D. Planned Unit Development Uses Permitted (approved as provided for in Section 8.2 and/or Section 8.4 of these Regulations)

- (1) Cluster Residential Development: yielding lots no smaller than 30,000 sq. ft. in size, providing that:

Section 6.2: Single-Family Residential District (R-1A)

the net density of the development be no more than in the zoning district; a subdivision plat, meeting all the requirements for a preliminary plat, as contained in the Subdivision Regulations for All of Nelson County, is submitted and approved per requirements in Section 8.2 of these regulations; and that the remnant parcel be protected from future division by a deed restriction recorded and running in favor of the Planning Commission, stating that the property may not be further divided. Provisions for lot widths and setbacks may be altered by the Planning Commission as a condition to or result of approval of a planned unit development granted under this section. View-shed must be preserved.

- (2) Golf Courses, Recreational Facilities and similar uses: providing for public accessibility to relatively undeveloped green spaces and forest reserves, provided that: adequate parking facilities and traffic access are provided based on anticipated demand; and adequate buffers between active uses and adjacent properties are provided where deemed necessary by the Planning Commission.
- (3) Conservation Design Subdivision: Public sewers conserve 40%, other system must conserve 30%. See Section 8.4
