

## Surveyors & Engineers Listing

Disclaimer: This listing of surveyors and engineers is being provided as a convenience to property owners. The Planning Commission does not recommend and does not attest to the qualifications and/or licensure status of these firms and individuals. This listing is not inclusive of engineers and surveyors within the surrounding area. Other surveyors and engineers may be identified and licensing information is available from the Kentucky Board of Engineers and Land Surveyors at [www.kyboels.ky.gov](http://www.kyboels.ky.gov) or at 1-800-573-2680.
